

November 9 | Issue 11

(Lt. Gov. Mike Kehoe – Keynote Speaker at our Manufacturing Trade Show and Conference)

Andrew's Angle

"Anyone else feel like this year is flying by? We are only 3 months away from our Trade Show and Conference coming up in February! Come see our Keynote Speaker: Lt. Gov. Mike Kehoe.

Make sure you sign up to attend and mark your calendars before the busy holiday season arrives (don't worry it's free to attend so you can save your money for more presents). We hope to see you there!"

-Andrew

Member Spotlights

Ozark Mountain Packaging

Ozark Mountain Packing takes great pride in establishing industry benchmarks with creative, quality food products. The Company will achieve continuous profitability through loyalty to customers, vendors, and employee development. We will provide an outstanding

H.E. Williams

The Williams family is in its third generation of company leadership. Over the years, technology has evolved, but our values have not. We still manufacture products at our production facility in Carthage, Missouri, where it all began in 1921.

work environment based on honesty, integrity, and ethical business practices.

We utilize the latest filling technology, the most experienced chefs, the highest quality ingredients, and food safety, to produce products recognized in the industry as award-winning in both quality and taste.

As an independently-owned American manufacturer, we are simply easier to do business with. We personally and quickly respond to you with answers. We build and ship products with your schedule in mind, and our long-standing promise to produce quality fixtures means fewer field service issues. After 100 years, we've found no better way to meet your standards and ours.

Manufacturing News

Missouri attorney general planning lawsuit over Biden vaccine mandate

Missouri Attorney General Eric Schmitt (R) said on Thursday that he planned on suing against a Biden administration vaccination mandate for businesses with at least 100 employees. "We will be on file first thing tomorrow morning to halt this illegal, unconstitutional attempt by the Biden Administration and the federal government to impose their will on thousands of Missouri businesses and millions of Missourians."

Global Plastics Manufacturer Selects Missouri for New Facility

ALPLA is creating 75 new jobs in the region. This is their fourth facility in the state and the first dedicated to injection molding. "ALPLA's decision to grow in Missouri demonstrates our state's ability to support companies with our highly skilled workforce, affordable business costs and unmatched logistical advantages," said Governor Mike Parson.
