Mt. Vernon, MO – Reyco Granning, a U.S. based company with 100 years of experience designing and manufacturing suspension systems for the transportation industry, is pleased to announce it has named Curt Wormington as its new President effective July 2023. As an innovative business leader, Curt brings a wealth of leadership experience and versatility to the organization. In this role Curt will be responsible for all aspects of managing the business and continuing the successful Reyco Granning legacy.

Curt comes to Reyco Granning from his role as Vice President and General Manager, Aftermarket Replacement Glass division of Carlex Glass, a company that specializes in manufacturing OEM glass. “Curt’s background and commercial experience makes him the ideal champion to execute our revenue growth initiatives; “Reyco has a very bright future under Curt’s leadership,” said John Stuart. “Curt possesses the qualifications and expertise to grow Reyco Granning into an even greater, more successful, company.”

For more than a decade Curt put his experience and education to the test as a serial entrepreneur starting a number of distribution companies and a technology/consulting business. Curt has also held various positions of increasing responsibility with large global corporations including Carlex, PACCAR, Freudenberg Group, and Meritor. Curt’s versatility, experience, education, and strong work ethic are key traits making Curt the best choice for Reyco Granning.

Curt earned a Bachelor of Science degree from Northwest Missouri State University majoring in Accounting and Finance. After passing the Certified Public Accountants examination he completed his MBA in Management and Finance with honors from Baker University Graduate School of Business.
